04 / CLIENT WORDS

“Kalem was fantastic to work with across our three-day Halloween event at Don River Railway. He provided all the sound equipment and music, catered to different audiences throughout the day and evening, and was incredibly flexible and professional, even when things didn’t quite go to plan! We’d happily recommend kickles for future events.”

KATE VON ROCK / EVENT MANAGER, DON RIVER RAILWAY HALLOWEEN 2026

“He made our surprise wedding celebration so special and we couldn’t recommend him enough.”
